## A Smile

Smiling is infectious,  
you catch it like the flu.  
When someone smiled at me today  
I started smiling too.

I passed around the corner  
and someone saw my grin.  
When he smiled, I realised  
I'd passed it on to him.

I thought about my smile and then  
I realised its worth.  
A single smile like mine could travel  
right around the earth.

If you feel a smile begin  
don't leave it undetected.  
Let's start an epidemic quick  
and get the world infected.
